## Studio Art Practice 1

Term T1, 2020

### Course Information

**Units of Credit:** 6

### Course Overview

#### Course Description

Studio Art Practice 1 is the first in a sequence of six core courses that enables you to develop your independent artistic practice. Through a series of structured studio classes, this course introduces you to the making facilities on campus, and promotes material experimentation as a key mode of creative inquiry. The course focuses particularly on generative and iterative studio processes that enable you to accumulate a portfolio of creative experiments. The weekly topics and activities are designed to encourage you to explore connections between materials, processes, and ideas. Diverse examples are used to guide and support you in starting to develop your understanding of the social and cultural contexts that inform artistic practice. Field trips and group work also encourage you to work in peer-to-peer contexts so as to recognise the multiplicity of potential approaches and avenues for developing an artistic practice.

#### Course Learning Outcomes

On completion of this course, the student should be able to:

1. Investigate artistic ideas through material experimentation
2. Document creative processes using collaborative methods
3. Develop an iterative series of artworks using a variety of materials and processes

#### Teaching and Learning in this Course

This course uses a variety of teaching approaches:

#### Blended/online

- Moodle - Learning Management System

### General Information

#### Academic Honesty and Plagiarism

Plagiarism is taking the ideas, words, images, designs or objects of others and passing them off as your own. Plagiarism is a type of intellectual theft. Plagiarism can take many forms, from deliberate cheating to accidentally copying from a source without acknowledgement. Plagiarism can have serious consequences,

so it is important that students be aware of what it is, and how to avoid it. All written submissions are automatically checked for plagiarism using the Turnitin site.

Please see the Academic Integrity & Plagiarism website [student.unsw.edu.au/plagiarism](http://student.unsw.edu.au/plagiarism) for further information.

The Learning Centre can provide support and workshops. Please see [lc.unsw.edu.au](http://lc.unsw.edu.au). In all assessment tasks, any material or ideas taken from another source must be referenced in accordance with the Referencing Style Guidelines as outlined in the UNSW Assessment Policies.

## Health and Safety

Ensuring student and staff health and safety is very important at UNSW Art & Design. Health and safety is everyone's responsibility. As a student, you have a responsibility not to do anything that risks your own health and safety, or the health or safety of your fellow students, staff members or visitors. This means, for example, exiting the building during a fire drill; wearing personal protective equipment and clothing (PPEC) when staff or signage instructs you to do so; undertaking induction to using equipment or carrying out processes that require specific knowledge; and reporting hazards or incidents to your lecturer or supervisor as soon as you become aware of them. For more information please see [ohs.unsw.edu.au](http://ohs.unsw.edu.au). You can also find safe work procedures relevant to your course on the UNSW Safesys website [safesys.unsw.edu.au](http://safesys.unsw.edu.au) by logging in with your zID.

## After Hours Access to the Paddington Campus

The core operating hours for the Paddington Campus are below. All students have access to the campus during these hours:

- Monday to Friday 0800 – 2100
- Saturday 0900 – 1700

Some students are permitted to have "After Hours Access" (AHA) to the campus upon completion of a series of inductions. The inductions are dependent on location, as well as the types of activities undertaken in those locations. **The first of these is this Primary Induction, and this must be completed online [flip.unsw.edu.au/app/#/subpackage/4322](http://flip.unsw.edu.au/app/#/subpackage/4322).** All students requiring AHA are required to complete this induction. The Primary Induction gives access to the following Low Risk areas:

### Post Graduate Students

- PG Research students – Level 4 F Block, Computer Labs and Learning Commons
- Master of Art students – Level 3 F Block, Computer Labs and Learning Commons
- Master of Design students – Level 3 D Block, Computer Labs and Learning Commons
- Master of Curating and Cultural Leadership students – D207, Computer Labs and Learning Commons

### 4th Year Undergraduate Students

- Fine Arts – Level 1 & 3 F Block, Computer Labs and Learning Commons
- Design – Level 3 D Block, Computer Labs and Learning Commons
- Media Arts – Level 3 D Block, Computer Labs and Learning Commons

Subsequent inductions are workshop and lab specific, and are conducted face-to-face by the UNSW Art & Design Technical staff. Students and staff must first successfully complete the Primary Induction before requesting a Workshop/Lab specific Induction.
